17th March 2020

Dear Parents

As you know we are living in very challenging times at the moment, I thought I would write to you to clarify the actions we are taking. As new guidance comes through we will obviously update you.

If you or any household member has a temperature and/or a persistent cough then the whole household will need to self-isolate for two weeks.

- Wren Class assembly has been postponed.
- Both Celebration Assemblies have been postponed.
- Easter performance at the church has been postponed.
- Our teachers have prepared work to be put on the school website in the class tab under Curriculum Information/Resources for your child for any school closure. Further information about this will follow. We will be using Bug Club, My Maths and Purple Mash for pupil work.
- If we do close we will be sending each child home with a book and pencil for recording work.
- Our school door handles etc are also being cleaned again before lunch and after lunch from 18.3.20 in addition to the school being cleaned each day.
- We are awaiting further guidance before making any decisions regarding planned residential trips.
- Clubs are running as normal (except Taekwondo which will continue after Easter) but there will be no sessions to include parents watching i.e. Dance/choir and Gymnastics.

Following the advice from Public Health England we have taken steps to protect vulnerable members of staff, this has caused us a staff shortage at lunchtimes. If our initial plan for lunchtimes doesn't work we may be asking everyone to provide a packed lunch for every child from Monday 23rd March. We will confirm if we need to do this on Friday.

Please keep checking on messages from the school, if you have any doubts then always give us a call. **Thank you for all your help and support at this challenging time.**

Stay safe.
