

CVPS Award Scheme Rules

We are **delighted** that you have chosen to take part in the CVPS Award Scheme activities.

There are some rules to achieving your award:

- You must be truthful and only use evidence that you personally have created, for example, your parents cannot cook a healthy meal for you. You must do this.
- You must provide evidence in this book for each award criteria.
- School Council and Ms Lanham will need to look carefully at the book to decide if you have achieved the award.
- Your evidence cannot be from the past, it has to be completed after you have started your CVPS Award Book.
- You have the whole time you are in the class to complete the appropriate award criteria.

We do hope that you have fun and really grow as a person by taking part in this! We will look forward to sharing your completed book!
