

18th May 2016

Dear Parents

Re: Cycling in the Summer Term ~ Cycling Club

Following on from the taster session held yesterday, 17th May, there will be a cycling club being held every Thursday 3.30 - 4.30 p.m. starting after half term which will run for 6 weeks. **For the first week ONLY the club will be held on the Tuesday - 7th June.** Subsequent sessions will be on Thursdays.

Keith Reed, Sustrans, will be coaching the children every other week starting the first week. Ms Lanham and Mrs Dodd will be embedding his coaching on the weeks in between.

Due to the nature of this club and the high level of adult input there will only be 12 spaces available and it is only open to years one and two. Places will be allocated on a strictly first come first served basis. This is a free club being run as part of our Sustrans activities. Keith Reed is a former coach of British Cycling.

This letter and consent form will be sent out in paper format and via email at the same time; replies will be accepted by either.

Please complete and return the consent attached by Thursday 26th May 2016.

Yours sincerely

V Lanham
Headteacher
