Dear Parents

As you know Chapel Road and Swan Lane are very narrow roads, this makes them particularly challenging at drop off and pick up times. The road develops puddles very quickly and coupled with narrow pavements means that our families who walk to school can be easily sprayed with water. Please be considerate when driving to and from school and slow down when passing pedestrians.

Please make sure that if you have to mount a pavement to avoid cars coming in the opposite direction and parked cars that you do this slowly and carefully, a local resident could easily be coming out of their property as you do this.

It is only by working together that we can continue to keep our school community safe. Thank you.

Yours sincerely

V. Lanham
