

ECO NEWSLETTER

Number 5

Spring Term (2) 2014 - April

END OF TERM UPDATE

GREEN FLAG

As you are aware we now have our Green Flag status. We will continue to update you with our activities. If you would like to help with anything please let us know.

TOY SALE

Our Toy Sale raised £42.18. Thank you to all that donated with toys or sending their child to school with pocket money.

This money will be spent on our ECO activities.

GARDENS

If you are working in your gardens during the Easter Holidays and find that you have 'spare' plants please keep us in mind - we are more than happy to give them a new home.

Gardening will begin in earnest after the holidays and if anybody would like to come and help please let us know.

We will also be growing lots of plants, salads and herbs that we will sell at the school fair. We also plan to have 'growing herbs' ready for sale to parents when we return. If we can produce enough we will also sell lettuce in growing tubs.

Please keep an eye out for when things are available.

We try to use as many recycled items as possible in our growing activities. If you have 1 pint milk cartons we would love to use them. Just send them in to school with your child.

'Phil' the Bag

We will have a collection after the holidays. Please bring in any bags on our return.
