

# ECO TOY SALE/SWAP

10<sup>th</sup> March 2014

As promised we can now give you the date of the toy sale/swap.

This will take place on **Thursday 27<sup>th</sup> March** during the afternoon.

We are not expecting children to bring in sack loads of toys as this is more a way of children thinking about what happens to their outgrown or unwanted toys. If every child could bring in one toy we would have enough items to provide others a choice. These items will then be sold at pocket money prices to the other children, for example some of the smaller items will be sold for 10p.

Tables will be set up with the relevant prices on them so children will be able to go to the tables that they know they can afford ~ 10p, 15p, 20p etc.

On the day children will need to bring in their pocket money (we suggest a maximum of £1) in small change.

At the end of the day the Link Doors will be opened for parents to come in and buy any of the items remaining. The larger items that can be charged at higher prices will be kept to one side for the parents.

All funds raised will go towards our ECO activities and growing plans.

Any remaining toys will be donated to charity - nothing goes in the bin!
