

ECO UPDATE

MUFTI DAY

6th October 2017

As you know we held a Working Party as the first step of renovating our grounds. The planters at the front of the school, on the playground, were cleared and new soil added ready for planting.

Thank you to Mr Adam-Smith who kindly gave time to help.

Next Friday, 13th October 2017 is the second step.

All pupils are invited to come to school in 'Mufti', meaning non- uniform for the day. The 'fee' for taking part is to bring in a flower bulb for the ready-and-waiting planters.

We would like every child to come to school in bright colourful clothing – think spring and summer garden displays ☺

The planting of the bulbs will be done with the pupils. If you would like to help please let us know.

We will then start to focus on another area of the school grounds. Our aim is to enter garden competitions again next year. Please help if you possibly can.

We should be able to announce our Eco Warriors soon.

On our return to school after the half term break our focus will be energy and how we can save it.

We will send home more details nearer to the time.
