

ECO NEWS ~ GARDENS

ANOTHER UPDATE

22nd April 2015

As some of you may know the judges for Horley in Spring visited us yesterday, 21st April 2015 at the end of the school day. The picture above is our cottage garden as it was seen by them and the picture below is our newly cleared pond.

We are hoping that it won't be too long before we are given the results and we will let you all know as soon as we hear.

We are sure you have all taken the opportunity to look at the beautiful planters and pots around the playground that were so kindly planted up by visiting Flower Fairies during March.

This week begins a busy time for the children and our gardens. Children are busy planting seeds and as soon as the frosts have finished we will be working on our hanging baskets. We will also have summer bedding to plant out. All of this will happen at our gardening club as well as lunchtimes with all the children.

There will be opportunities for you to see the garden and the changes that the children will make during the summer term at the following events:

Friday 1st May ~ May Day Celebrations
Saturday 14th June ~ PTA Summer Fair
Friday 26th June ~ Sports Day
Friday 10th July ~ PTA Summer Celebration

If you would like to see our gardens outside of the dates above please contact the school office to be escorted by a staff member at the start or end of the day. Due to Health and Safety and Safeguarding procedures parents and visitors should not access the back of the school without permission, signing in or being escorted by members of staff.
