

Healthy Schools

10th March 2014

As you are aware from previous correspondence one area of focus that was discussed at our Healthy Schools meeting was Behaviour. This has become particularly noticeable at lunch times. It was therefore agreed that parents would be sent home a very short questionnaire to obtain their views on the children's behaviour.

We would be very grateful if you could complete the questions below and return to school by **Monday 17th March 2014**.

Please make any comments in the box provided. This can also be carried over to the reverse if you wish.
