Dear Parents/Carers

As Head Boy and Head Girl we have been thinking about how we can make the school a better place. Our idea is to build a workshop where our pupils can go to make, take apart and repair. We have based our idea on the BBC show The Repair Shop. We are hoping that the workshop will be ready to use by the end of next term.

We are writing to ask you if you could donate any spare tools or equipment or donate any time to helping this project move forward.

We have also spoken to Mrs Dimery about the funding and have applied for a grant. We need all the help we can get in starting this project.

If you are able to help in anyway please speak to Ms Lanham.

Kind Regards

Head Boy
