9<sup>th</sup> June 2016

### DOCTOR BIKE

As part of our on-going Sustrans work every child is invited to bring their bike into school for a FREE bike MOT. This is to teach the children the importance of caring for their bicycles; our Cycling Club have just had a puncture repair session too.

Doctor Bike will take place on Wednesday 15<sup>th</sup> June 2016 and all you need to do is bring your child's bike to school at drop off in the morning and leave it at the bicycle racks outside the school office. The bike mechanic will then check the bikes over and provide notes on anything that needs to be done to each bike requiring attention. You can then take them home again at the end of the day.

Please complete and return the slip below so that we can give the mechanic the numbers expected and keep a record of participation at these events.
