

## **LOOKED-AFTER AND PREVIOUSLY LOOKED-AFTER CHILDREN POLICY**

**Reviewed:** Summer Term 2023

**Next Review:** Summer Term 2024

### **CONTEXT**

The terms 'Looked After Children' and 'Children in Care' are often used to define the same group of children and young people. In documents produced by the Department for Education and Surrey Virtual School (SVS), the terms Looked After Children (LAC) and Previously Looked-After Children (PLAC) are preferred.

When a child or young person is taken into Care by a local authority under a Court Order, the key feature is a change in parental responsibility, which is then undertaken by the local authority who become their 'Corporate Parent'. Young people can also be in Care under a voluntary arrangement with parents (a Section 20 status known as Accommodated) where parental responsibility remains with birth parents, and this arrangement is monitored and supported by social services. Most looked-after children will be living in homes with foster parents, but some may be in a residential children's home, semi-independent provider at Post-16, living with a relative or may be placed back at home with their birth parent(s). Children placed for adoption remain looked-after by the local authority until the Final Order.

A Personal Education Plan (PEP) is required for every looked-after child and forms part of their Care Plan. A PEP should be initiated within ten working days and finalised a maximum for 5 working days later. PEPs should be reviewed at least once a term though more may be required if, for example, a child moves school. Children adopted from care (PLAC) do not require a PEP, but it is good practice for parents to be asked whether they would like an EPAC (Education Plan for Adopted Children) to be written and regularly reviewed.

The Children Act (2004) places a duty to safeguard children in care, to promote their educational achievement and to ensure each child can *"achieve and reach their full potential."* The collective responsibility of Local Authorities and schools to achieve this are set out under six principles:

- ✓ Prioritising Education
- ✓ Maintaining high expectations and aspirations
- ✓ Inclusion – changing and challenging attitudes
- ✓ Achieving continuity and stability
- ✓ Early intervention and priority action

- ✓ Listening to the child's voice at all stages of care and education planning.

Charlwood Village Primary School believes that in partnership with Surrey County Council, we have a special duty as Corporate Parents to safeguard and promote the education of looked-after (LAC) and previously looked-after (PLAC) children.

## **OUR AIM**

To provide a safe and secure environment, where education is valued and there is a steadfast belief in the abilities and potential of all children.

To support our looked-after and previously looked-after children and give them access to every opportunity to achieve to their potential and enjoy learning.

To fulfil our schools' role as corporate parents to promote and support the education of our looked-after and previously looked-after children, by asking the question, **'Would this be good enough for my child?'**

Charlwood Village Primary School will:

- Nominate a Designated Teacher (DT) for our looked-after and previously looked-after children who will act as their advocate and co-ordinate support for them.
- Nominate a school governor to ensure that the needs of our looked-after and previously looked-after children are prioritised at a school management level. The school governor will also support the Designated Teacher (DT) in their role as advocate and educational champion.
- Support the Designated Teacher (DT) in carrying out their role by making time available and ensuring that they attend, at a minimum, statutory training provided by Surrey Virtual School (SVS) and external agencies.

- Ensure that if/when the child transfers school all relevant information is forwarded to the receiving school as a matter of priority. Where possible, the DT will attend the first PEP at the new school to assist transition and target setting.
