

Poster Competition

Dear Parents

The children were told about our poster competition during Big Think Time last week when we had a visitor regarding Sustrans - the sustainable travel initiative.

Please ask them to use the attached piece of paper for entry to our poster competition to encourage everybody to cycle/scooter/walk to school. Name to be written on the **back** please.

The closing date is next Tuesday 13th October 2015. The School Council will choose the six winners that will receive prizes. Every entry will receive a certificate.

Good Luck!
