23rd March 2020

Dear Pupil

As you know, things are a bit different at the moment and many of you are working from home. I know that you will have missed having assembly this morning and the daily run and having playtime with your friends. At the moment though, although it is tough the reason we are doing it is to stop the Coronavirus from spreading and getting to people who would become very poorly. It is important that we all do our bit, just like we talked about in assembly and in class.

Some of your parents will be working from home now and this is really challenging for them as they need to keep you safe as well. I know that you can really help them with this. When your parents need to work and not be disturbed (unless it is an emergency) then it is important that you don't. I know that there are many times in the school day when you work independently and you need to do the same at home as well.

I have asked your parents with you to come up with a reward system (e.g. marbles or buttons in a jar or smiley faces on a sticker chart) for great concentration. When they think you have earned enough they can email me and then I will send you a certificate. When we come back to school the top three pupils in each year group will get either a gold, silver or bronze medal.

Remember that we are doing all of this to stop the virus from spreading.

I am looking forward to sending out the certificates!

Keep learning everyone!

V. Lanham
