October 2020

Dear Parents

As always school funding continues to be very tight and a challenge for all schools this has become even more so with the additional cost to schools caused by the pandemic. In order to help us with purchasing little 'extras' for all of our pupils we ask parents for a donation towards the School Fund. This fund enables us to buy certificates, stickers to reward pupils during the day, cooking ingredients for lessons as well as other small items to celebrate the pupil's achievements. We don't ask our PTA to fund this and neither are there any grants that we can apply for to fund it.

The Governors and Leadership Team work very hard to spend the school's budget effectively to ensure that it is used to drive the school forward to provide the education that it can for its pupils.

We know that for many of you have also been impacted financially by COVID-19 and may not be a position to contribute to our School Fund. However, if you are able to help we are asking for a donation of £10 per family or whatever you can afford.

If you are able to help please contribute your donation to our school bank account:

Sort Code: 40 24 37

Account Name: SCC Charlwood Village Primary School

Account Number: 01178830

Many thanks for your help with this.

Yours sincerely

*V. Lanham*
